

**COM**  **2020**

CONFERENCE OF METALLURGISTS

MET  SOC

**OCTOBER  
2020**

**ONLINE  
ON-DEMAND**

**URANIUM 2020**

# COM 2020 Digital event hosting the 4<sup>th</sup> International Uranium Conference

<https://com.metsoc.org/>

14-15 Oct 2020

Provided by the Metallurgy & Materials Society of CIM

# We are still committed to our goals....

DISSEMINATE RESEARCH THROUGH  
PUBLICATION

RAISE PROFILE OF THE AUTHORS,  
VOLUNTEERS AND SPONSORS

PROVIDE KNOWLEDGE AND  
INFORMATION TO THE METALLURGY  
& MINING COMMUNITY

Providing  
services to  
our  
community  
and sponsors

## Publish Proceedings

COM 2020 & Uranium 2020

## Live Keynote talks

3 Plenary sessions, 1 Panel discussion, 14-15 Oct 2020

## On Demand content

Available through Dec 2020

# Advantages of Digital Audience

Captive audience,  
there is a need for at-  
home learning now

Capturing a larger audience  
worldwide

Capturing an extended  
audience

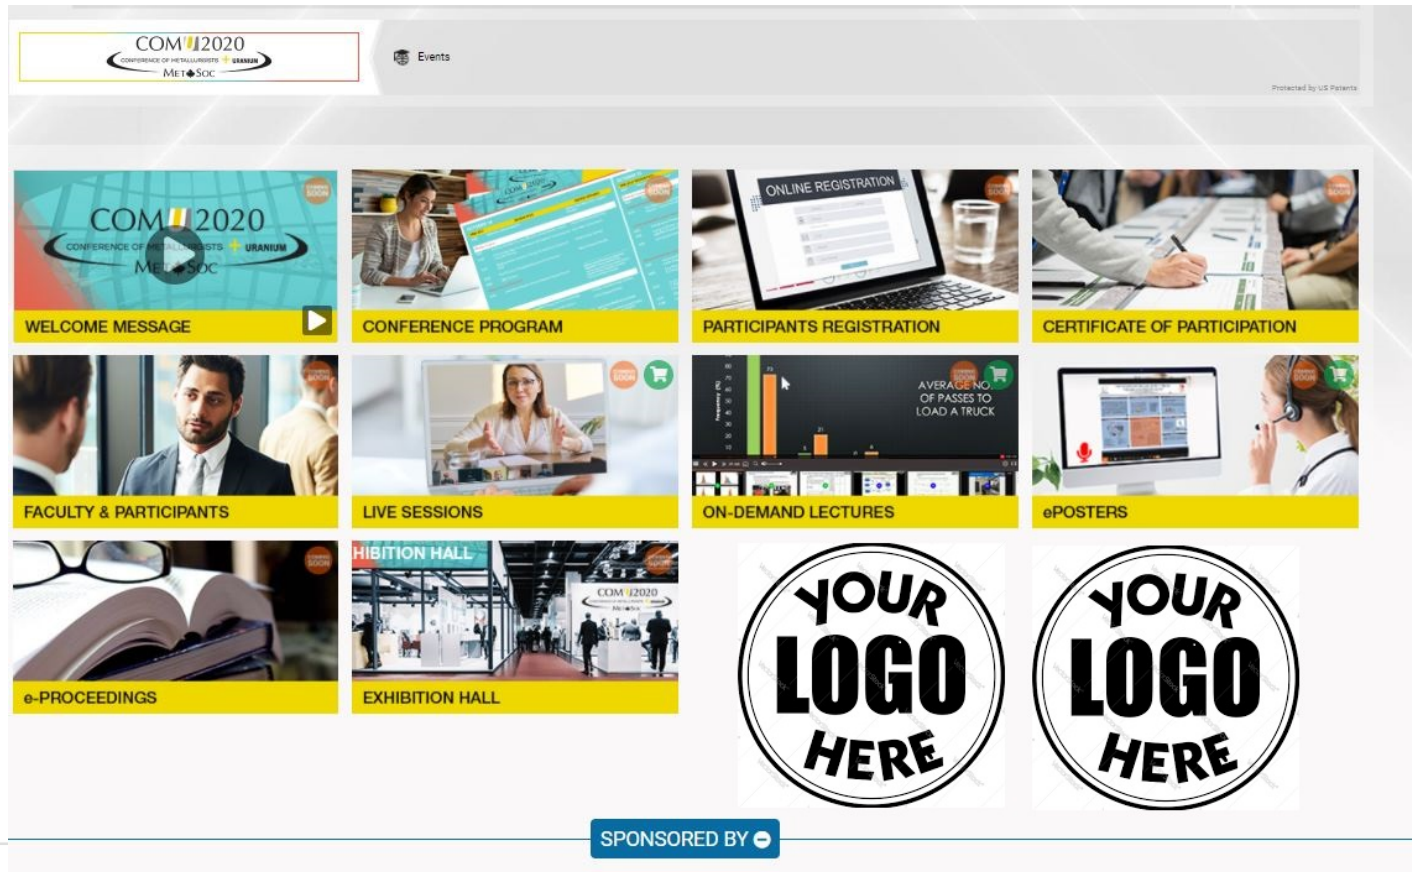

Bringing a larger visibility to  
authors, presenters and  
sponsors

Typical audience for our in-person event is 700 attendees

60% Canada, 20% Americas, 20% Worldwide

Statistical models show that currently digital events  
increase audience attendance

## Digital Conference visibility

- From home page to in-session advertisement

# Sponsorship Pricing- Visibility pre-event, during, post and forever

## Sponsor \$2500

- Pre-event: Logo on sponsor page of COM website
